*A Christian presence in the community, living by faith,  
known by love, sharing a voice of hope.*

### Acknowledgement of Country

*We, the Anglican Ministry of Byron, acknowledge the Bundjalung people, traditional custodians of this land. We pay tribute and respect to the elders of these nations and people, both past and present. We acknowledge their connection with and care for this country.*

**All are welcome in Anglican Ministry Area of Byron**

### **TAKE A BOW, BYRON ANGLICANS**

The grace, acceptance, and celebration at the closing of the historic and much loved St. Oswalds, mirrored the good graces that Byron Anglicans have already exhibited, in so graciously engaging in the amalgamation of three much loved parishes. The loving care of one another in such a momentous event at Broken Head was palpable!

In meetings with different groups and people last week, I began to get a feel for the extenuating circumstances in which the amalgamation is taking place. The odds have been all against you.

**no permanent Rector;**

**three parish councils and ministry offices amalgamating;**

**a roll over of Locums, all trying their best;**

**a new Community Minister finding her feet in responding to different Ministry leaders;**

**the preparing and selling of property and closing of churches;**

**the enormous challenge to the carefully developed new Mission Action Plan, being exerted by the Diocesan decision to sell off significant property that was essential to our Mission Action Plan, in order to keep the Diocese solvent, in the face of abuse claims in the Redress system.**

For the work of the Community Centres and their work with the homeless. The Liberation Larder, The Mullumbimby & District Neighbourhood Centre, for the Ministry of Anglicare, for the Ministry of Byron Bay & Mullumbimby Christian Education.

Wow! How good are Byron Anglicans in their resilience, their resisting of disillusionment, and in attempting to address the visible cracks arising in the process, that have the potential to send us way off the rails, even into being a parish in palliative care!

So in this season of Pentecost, the Holy Spirit in us and with us, I want to appeal to every member of our Parish, to seek that renewing powerful love of God, without which we will be extremely challenged to bring about the vision of this parish:

***To be a Christian Presence in the Community, Living by Faith, Known by Love and Sharing a Voice of Hope.***

Please phone me for a chat, to share your hopes and questions as we set sail together.
