Message from Locum Rector Greg Ezzy - Locum Rector

GOOD PRESS

Thank you for the invitation to share with you, as you live into your new venture as Byron Anglicans. Of course, I asked questions of people within the parish and others outside, to begin to appreciate what was happening in the new structure known as Byron Anglicans.

What really impressed me, has been the good press that you have achieved. I kept hearing that Byron Anglicans are graciously and courageously attempting to come to terms with their restructure and living into the Mission Action Plan that they developed with Archdeacon Gail.

In this critical time for the Christian church in the developing Australian culture, the good press that you are creating, gives me hope for the future. I am very happy to partner you in this immediate future, in your vision to be a Christian Presence in the Community, Living by Faith, Known by Love, and Sharing a Voice of Hope.

Christian Presence for me, is recognizing that God is with us and in us. United with Christ, I am looking forward to being inspired by the Spirit of Love within us, which is truly living by faith and bringing hope to our community.
