From Grahame

We are coming to the end of January. January seems to be an in-between time, in between the busyness of ending the previous year and beginning the new year ahead. Many organisations shutdown during January. In January we may experience extremes of weather and natural disasters. Living in an area covered by a Tsunami warning was definitely a first for our household.

January is also fraught with conflicting emotions over unaddressed injustices. This year Common Grace Australia is again partnering with ACCTV to screen #ChangeTheHeart 2022, a National Prayer Gathering on the evening of 25 January. This year I pray that we will be open to listening so as to better understand. We can do nothing else until we are willing to do this.

With every blessing, Grahame
