From Grahame

In just a few short hours our lives became all about flood! For days, the loss of telephone and internet in parts of the parish meant we could not communicate with each other. Closed roads meant we could not physically check in with many of our neighbours. There has been loss of property and livelihood, loss of so many of our triggers for treasured memories and there has been loss of life. The grieving of so much loss has not yet begun for many. Grief over this tragedy will be with us for a long time to come. Please be gentle with each other and reach out for support. There are excellent support networks available at the moment, through the Recovery Centre in Mullumbimby as well as through our parish pastoral care team.

In the main street of Mullumbimby our Op Shop was inundated. Within a very short time our coordinator and many volunteers, were able to conduct an initial clean out of the mud and flood damaged fittings and stock. In Bangalow, the ground floor of Reverend Rosie's Church residence was flooded, including the garage and previous parish office, with the loss of both parish and personal property. Again, volunteers quickly responded to remove the damaged property and the mud. The storage shed of the All Souls Op Shop was inundated twice. Once from the flood and again during a significant rain event. Our Op Shop's in Bangalow and Byron Bay have been able to respond by receiving and distributing donations. A number of parishes in the Anglican Diocese of Newcastle have collected donations to help restock our Op Shops. The parish Mission of the Month is the Mullumbimby Neighbourhood Centre, which bore much of the brunt of the initial flood response. This will constitute our initial financial response in support of those affected by flood. We are also utilising our hall spaces in support community groups which support those affected by flood. Financial assistance is also available through Anglicare North Coast through their website or through the parish. Please let us know if you know of anyone requiring assistance.
