*A Christian presence in the community, living by faith,
known by love, sharing a voice of hope.*

From Murray

To whom do we listen? The Internet? Books? Our family or friends? History? Or one of the many “voices” in our lives? Why is that voice the strongest? It is so easy to be swayed and to listen to what is false rather than to sit with the truths God reveals to us. Too often, the people of God have been entrapped by arguments or wayward thinking over matters of theology, doctrine and ‘shoulds and should nots’. In the gospel reading, Jesus was clearly calling people to focus on the life they are living, on the moment in time in which they can be the best that they are called to be. As the whole people of God, it is important to hear from each other, to listen to creation’s voice and to take note of the flora and fauna. God speaks to us about living each day through the whole of creation, about what is good, right and true. This life we have, it is the ‘present’ – it refers to the present time, our life which is the gift God gives freely to us. Let us cherish it. Let us listen to the many “voices” in our lives because God is probably talking through them all in some way.

Peace be with you

Murray

Sentence

'I am the resurrection and the life,' says the Lord.
'Those who believe in me, even though they die, will live, and everyone who lives and believes in me will never die.' John 11.25-26

Prayer of the day

God of all the living,
in the resurrection of Christ Jesus
you have given us the promise of life
which death itself cannot destroy:
in the strength of this unshakeable promise,
give us a new heart to live, even now, as your new creation.
We ask this through your Son, our Lord Jesus Christ,
who lives and reigns with you in the unity of the Holy Spirit,
one God, for ever and ever. **Amen.**

Mission of the Month for November:

Westpac Rescue Helicopter:

Since 1975 'community' has been at the heart of our Service. For over 45 years, thanks to the generosity and support from people right across Northern NSW, the Westpac Rescue Helicopter has grown to become a vital 24-7 aeromedical operation. Community fundraising and strong partnerships has always been integral to ensuring the quality, reliability and sustainability of our operations continue. Every life we save and every person we assist, provides a reminder of the critical role we play in our community.
